Women's Health Special

Alsip Integrated Medical Center Presents the Women's Health Special!

Present this card for \$50 off your initial visit - make your appointment today!

The **Post Menopause Hormone Panel™**

is a simple, painless test based on samples from saliva. As seen in the book, *Suzanne Somers' Slim and Sexy Forever : The Hormone Solution for Permanent Weight Loss and Optimal Living*, maintaining the proper balance of hormones is vital to long-term emotional, mental and bodily health. The PHP-1™ or the Expanded PHP-1™ Panel can be your first step towards better health.

Alsip Integrated Medical Center offers many state of the art services, including:

- Saliva Tests
- Bio-Identical Hormones for Menopause
- PAP Tests and Gynecological Exams
- Nutritional Counseling
- Hair Analysis
- Heavy Metal Screening
- Bowel Studies
- Chiropractic
- Acupuncture
- Blood work
- Family Practice
- MD on Staff for all your Medical Needs
